STATUS REPORT

COMES NOW COMPLAINANT, the Director of the Enforcement and Compliance Assurance Division, United States Environmental Protection Agency (EPA), by and through her attorney, who provides the following status report as required by the Scheduling Order:

1. The parties have engaged in negotiations and reached an agreement in principle on December 7, 2022. As a result, Complainant is presently drafting a Consent Agreement and Final Order (CAFO) and will process the CAFO through the concurrence process. After EPA approves the CAFO language, Complainant shall send the CAFO to Respondent for signature. Complainant expects that the CAFO will be ready to be filed by mid-January given that the approval process and signatures may be delayed because of the upcoming holiday.
